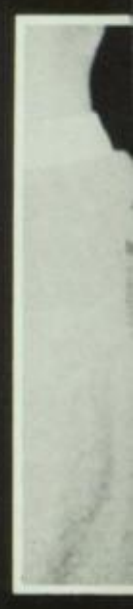
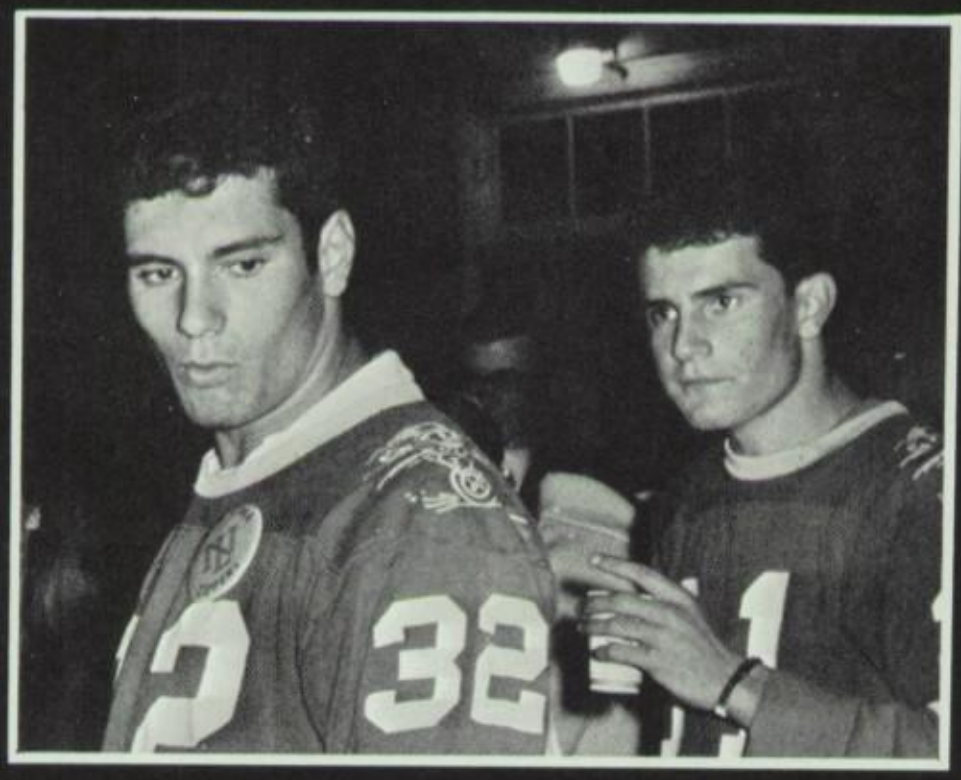
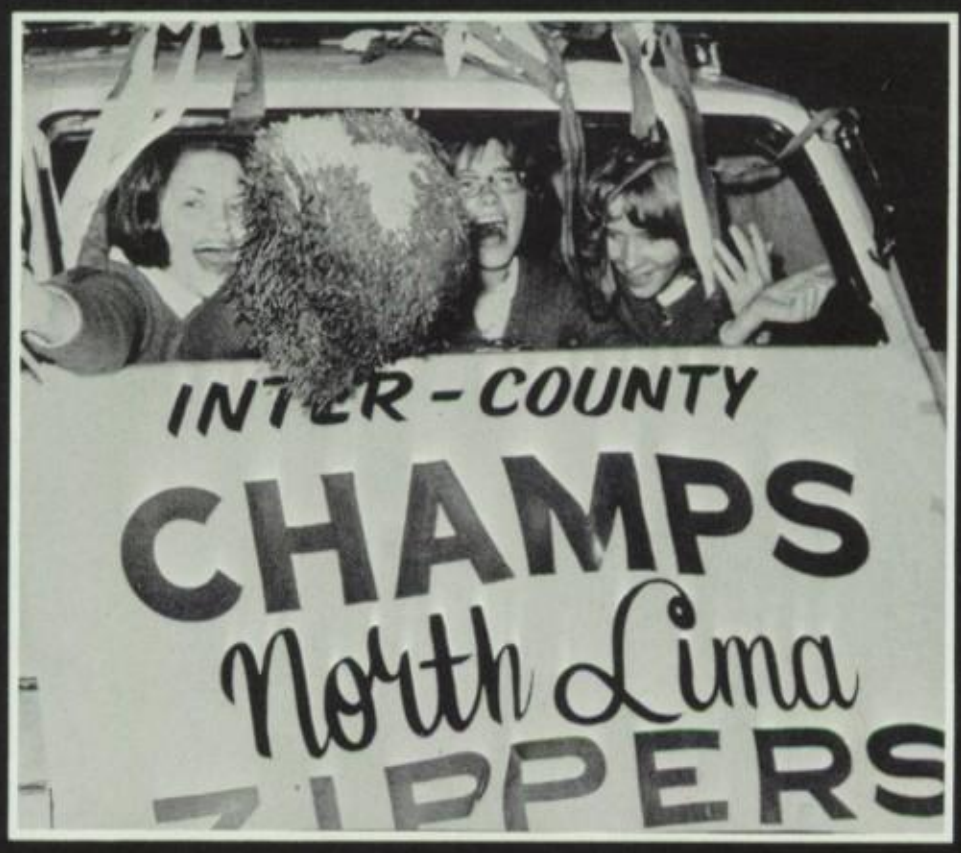
STUDENT



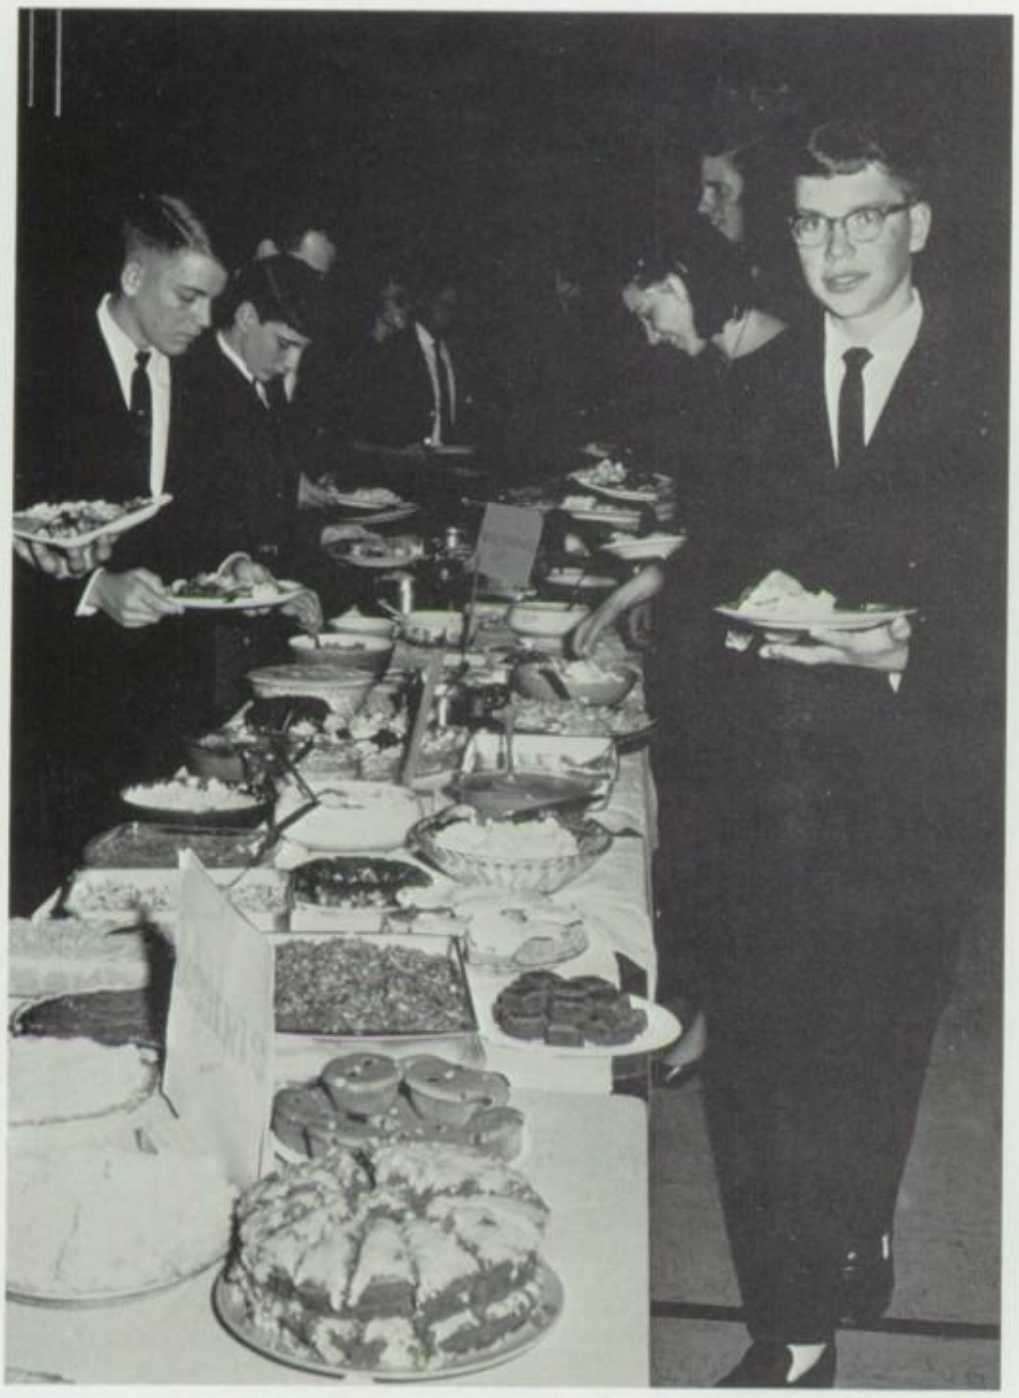
LIFE

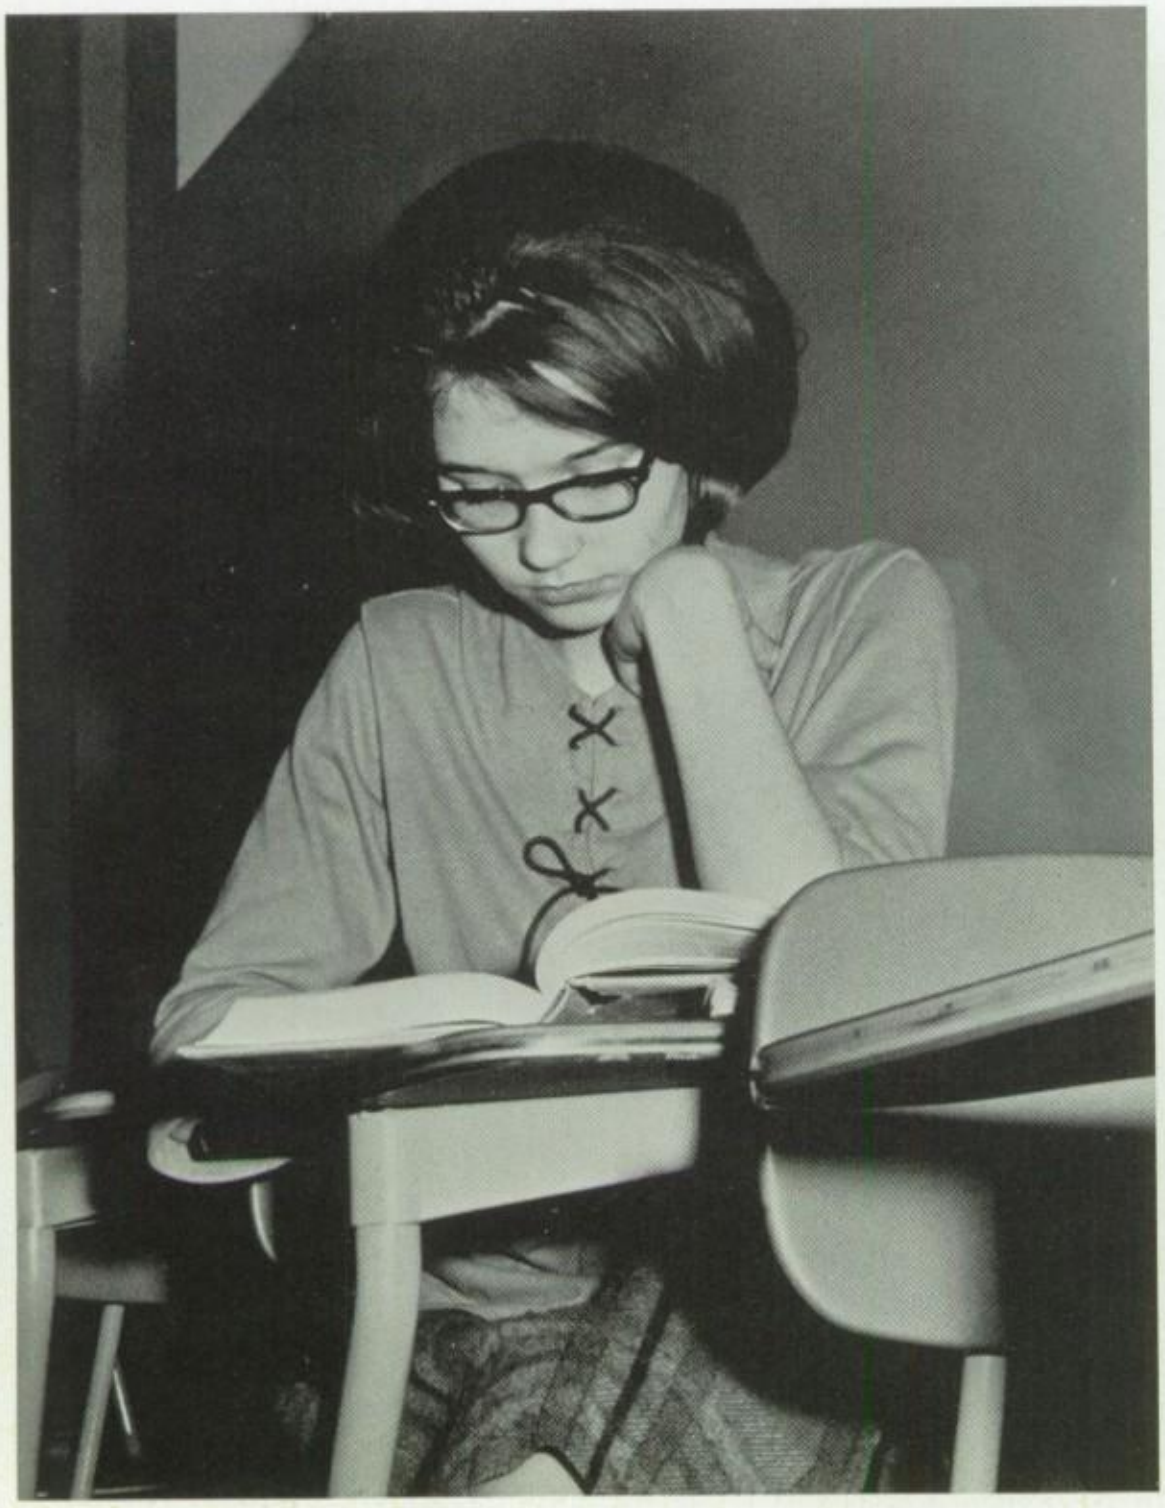


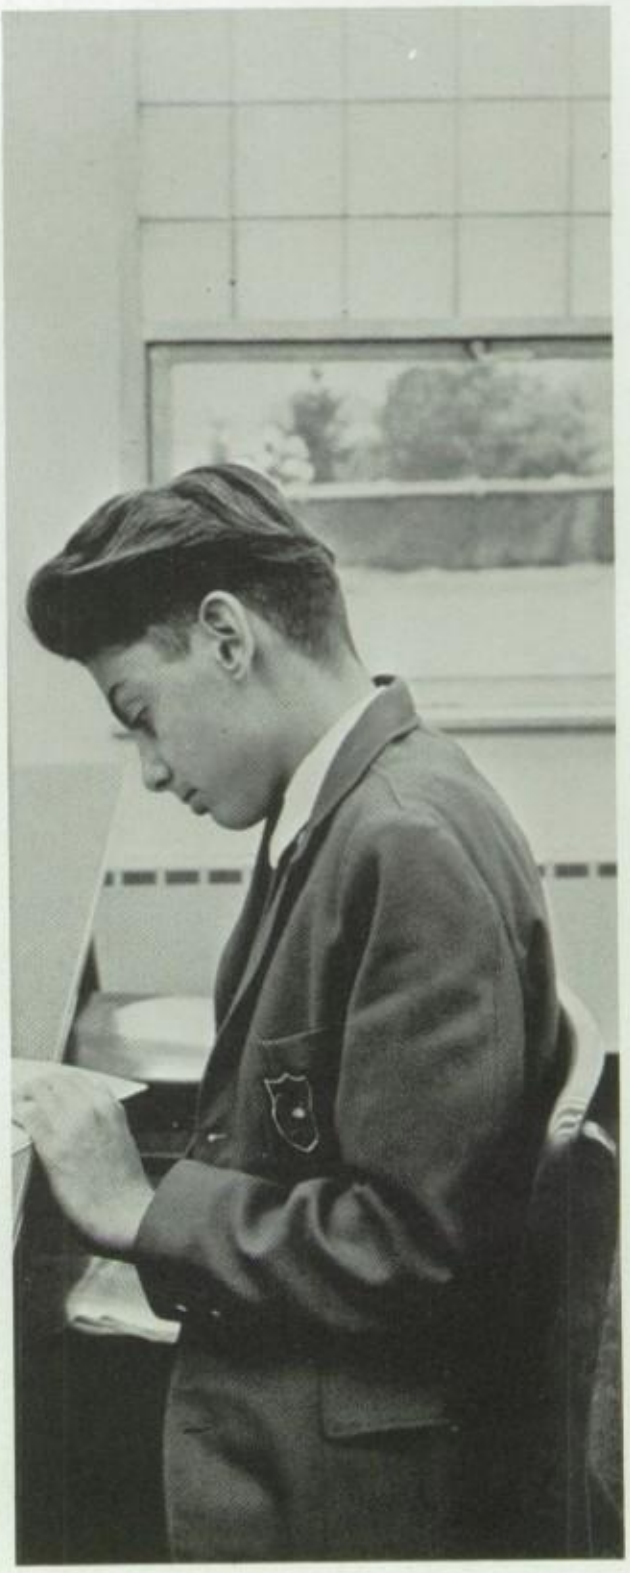


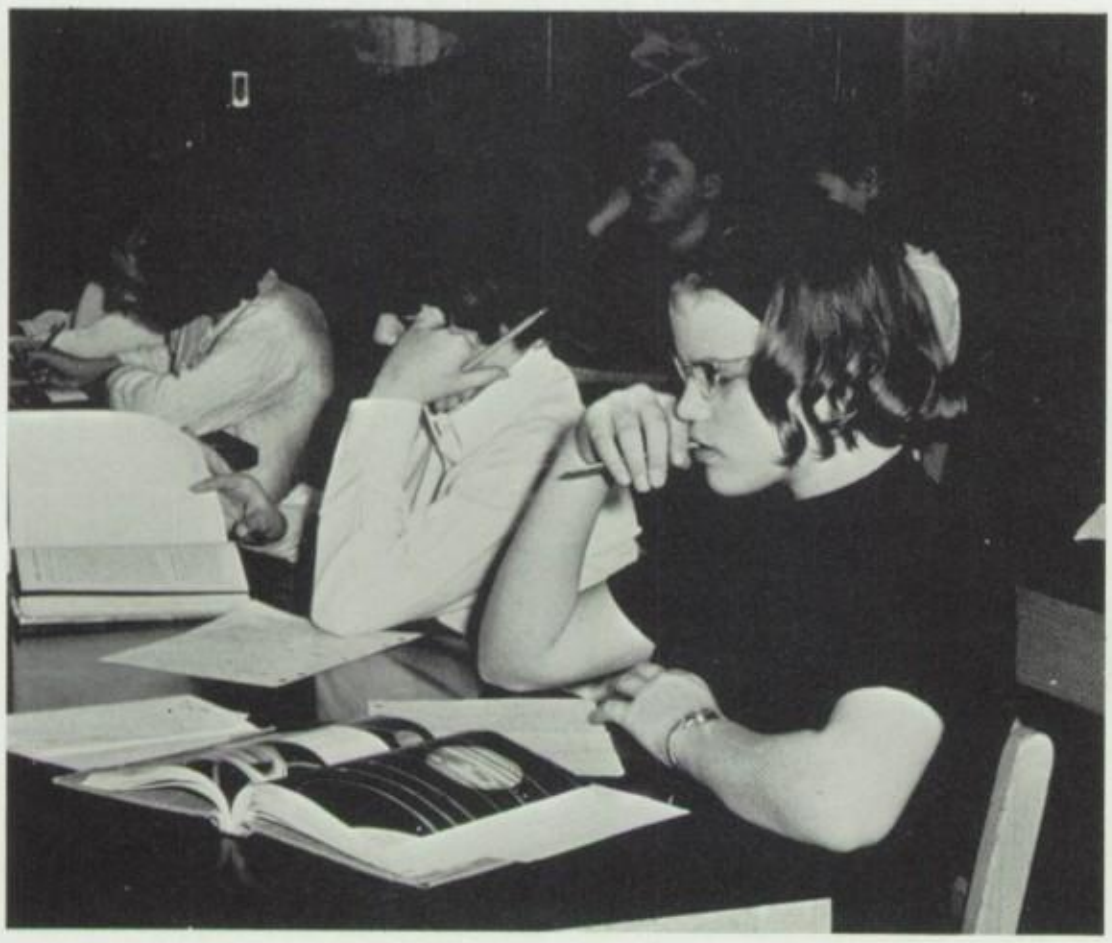
High School is many things . . .

. . . Sometimes
It is a puzzle and
A whirl filled with
Vitality and activity;
Or it is a strange,
Confused four-year
Wonderland,
Where the very
Young live in
Dreams.

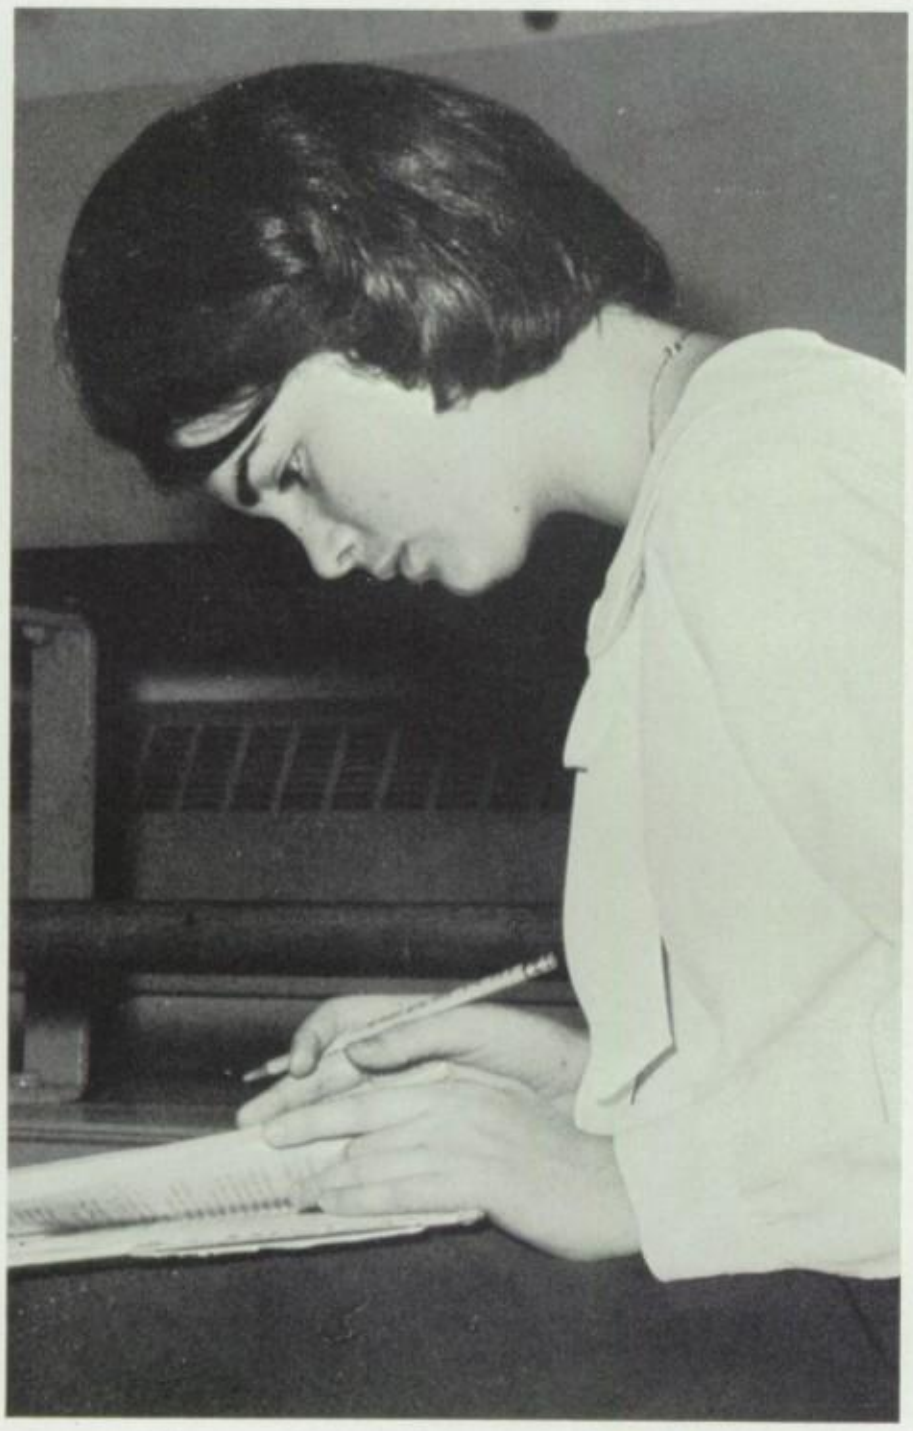




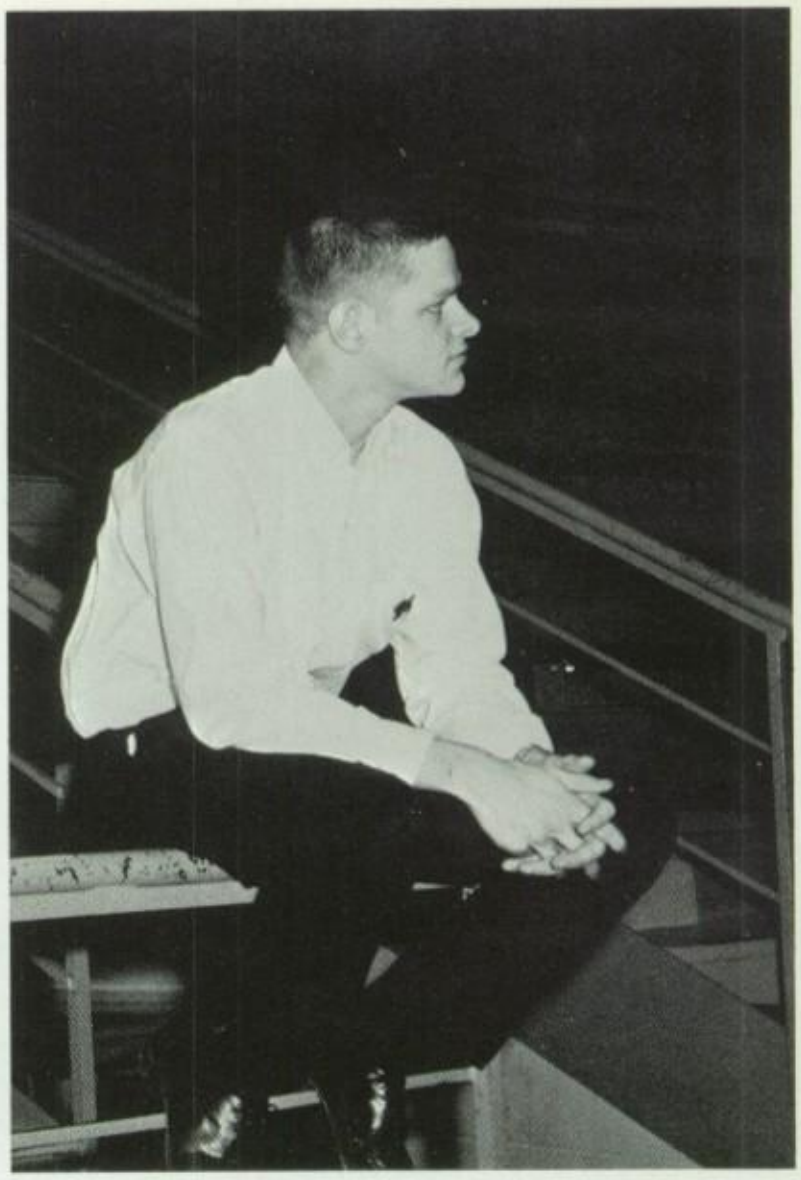


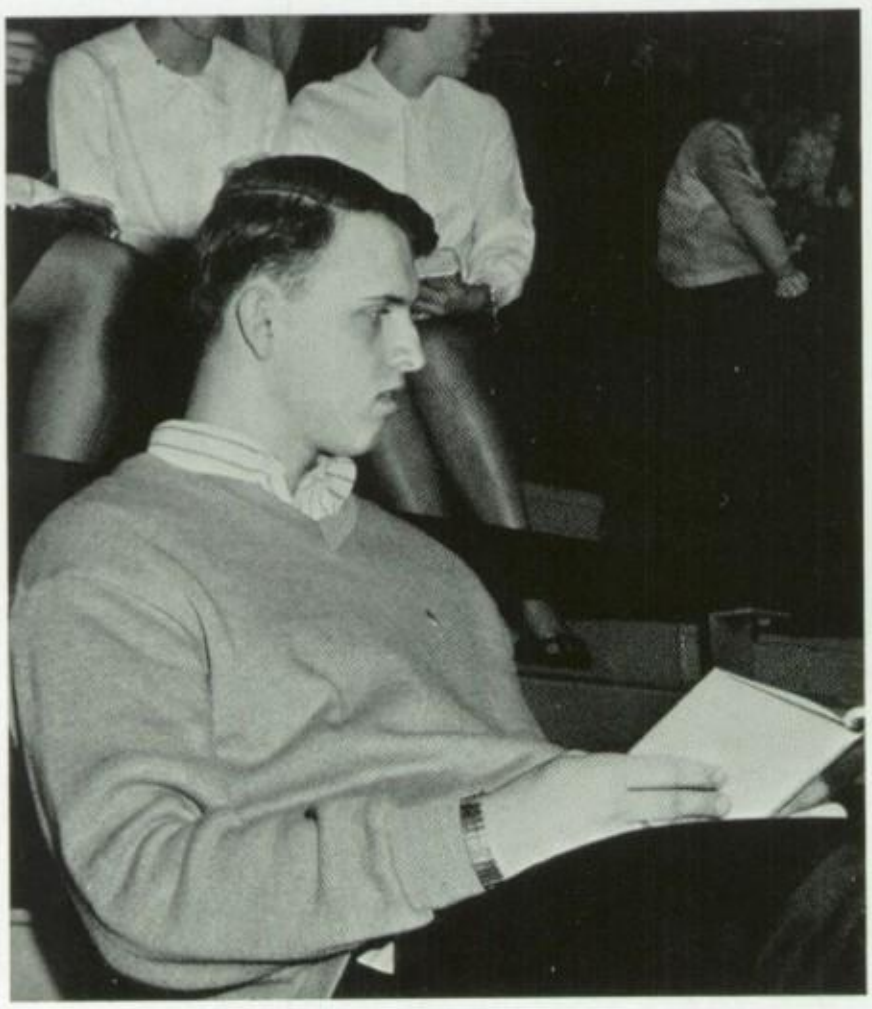


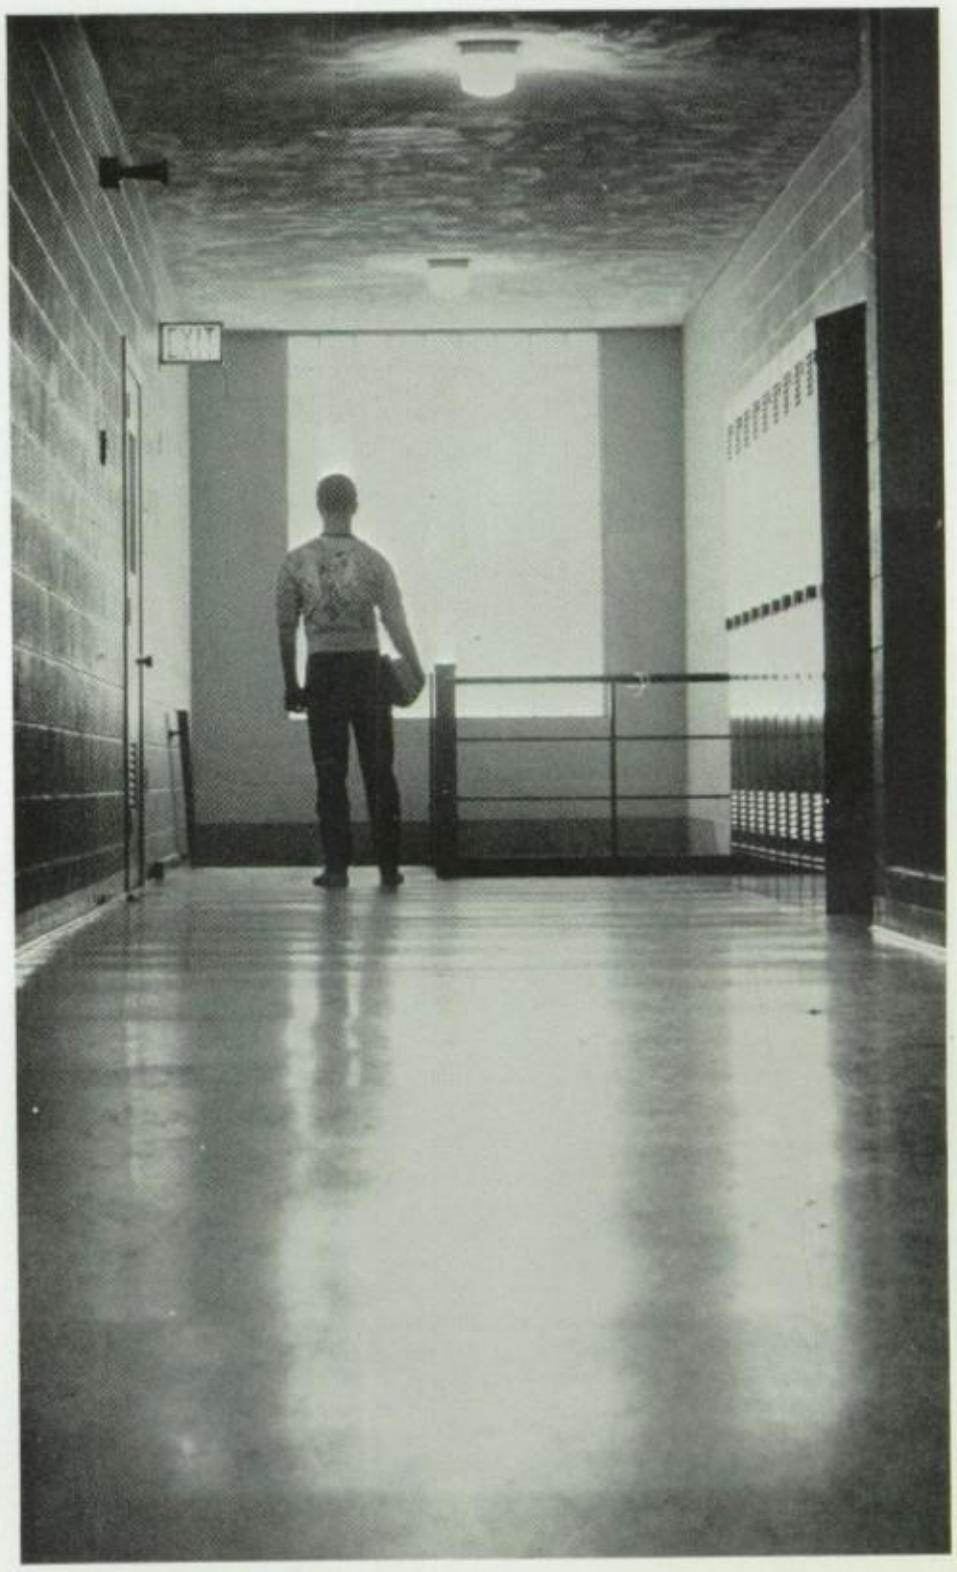
. . . Sometimes
It is a restful, quiet
Retreat which we enter
To think, to learn,
To create, to work,
Or just to be alone.



. . . Sometimes,
It is a curiosity shop,
Made up of people —
All kinds of people,

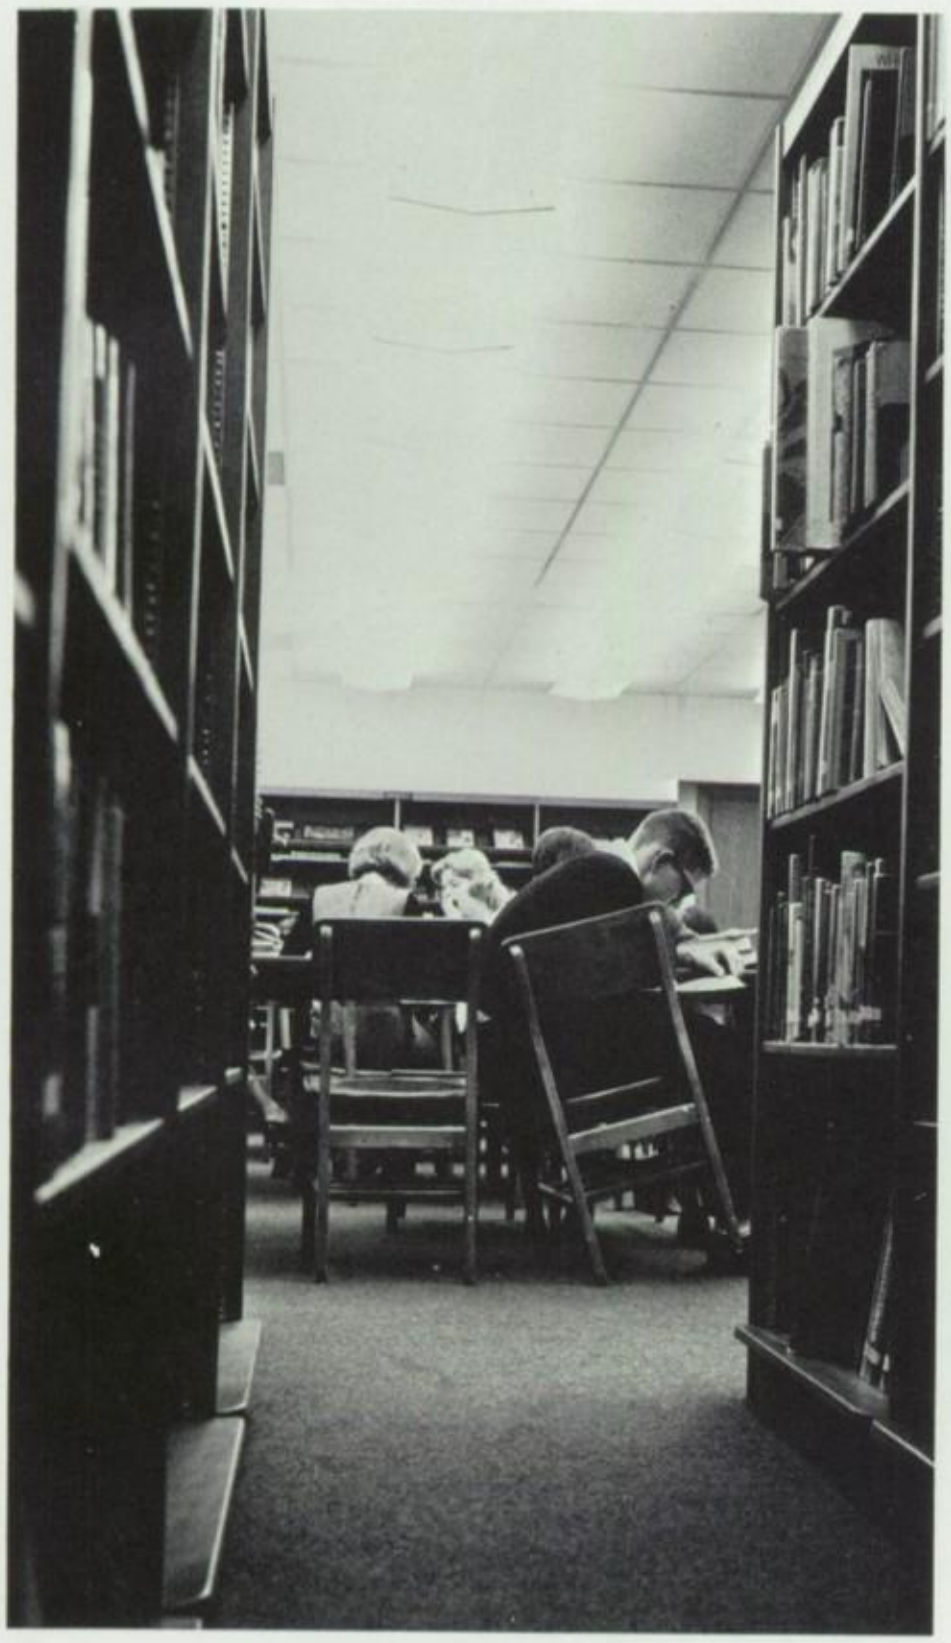


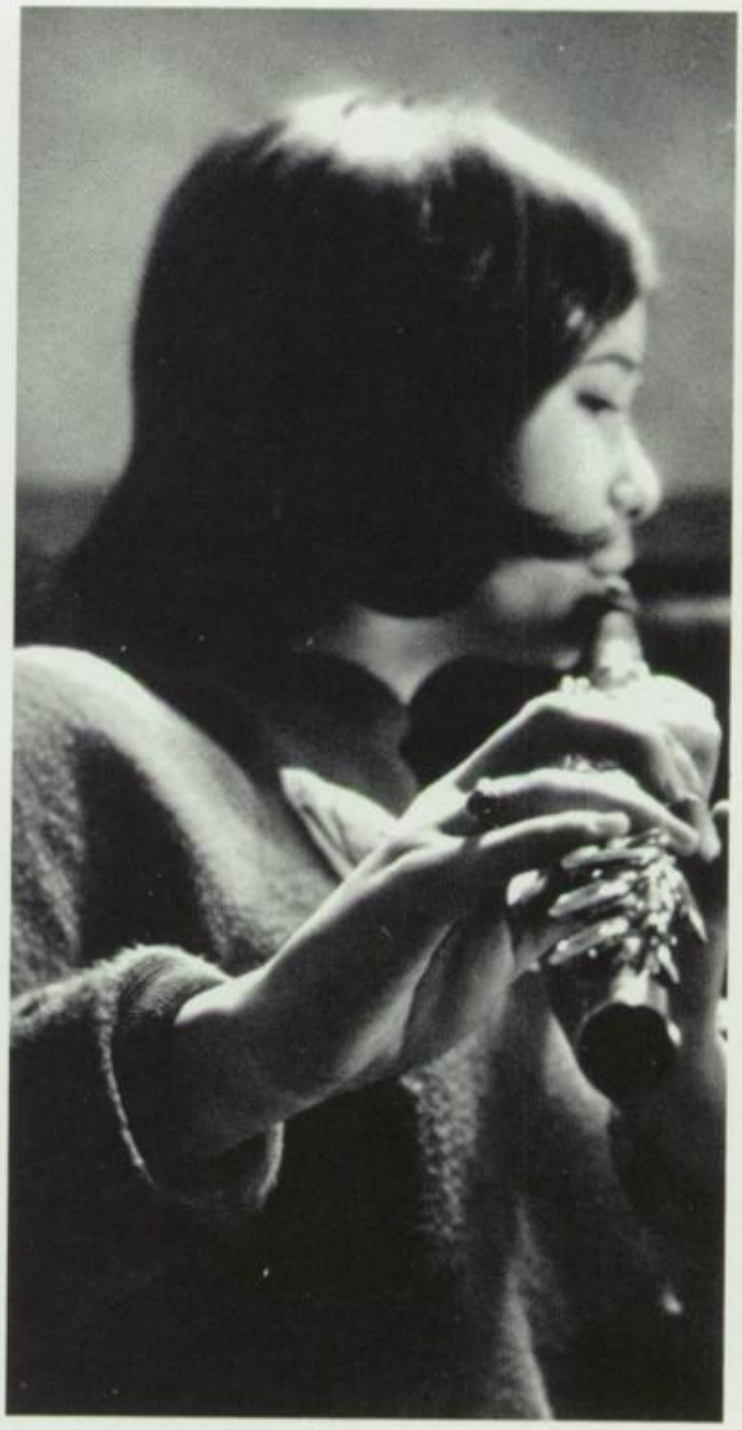




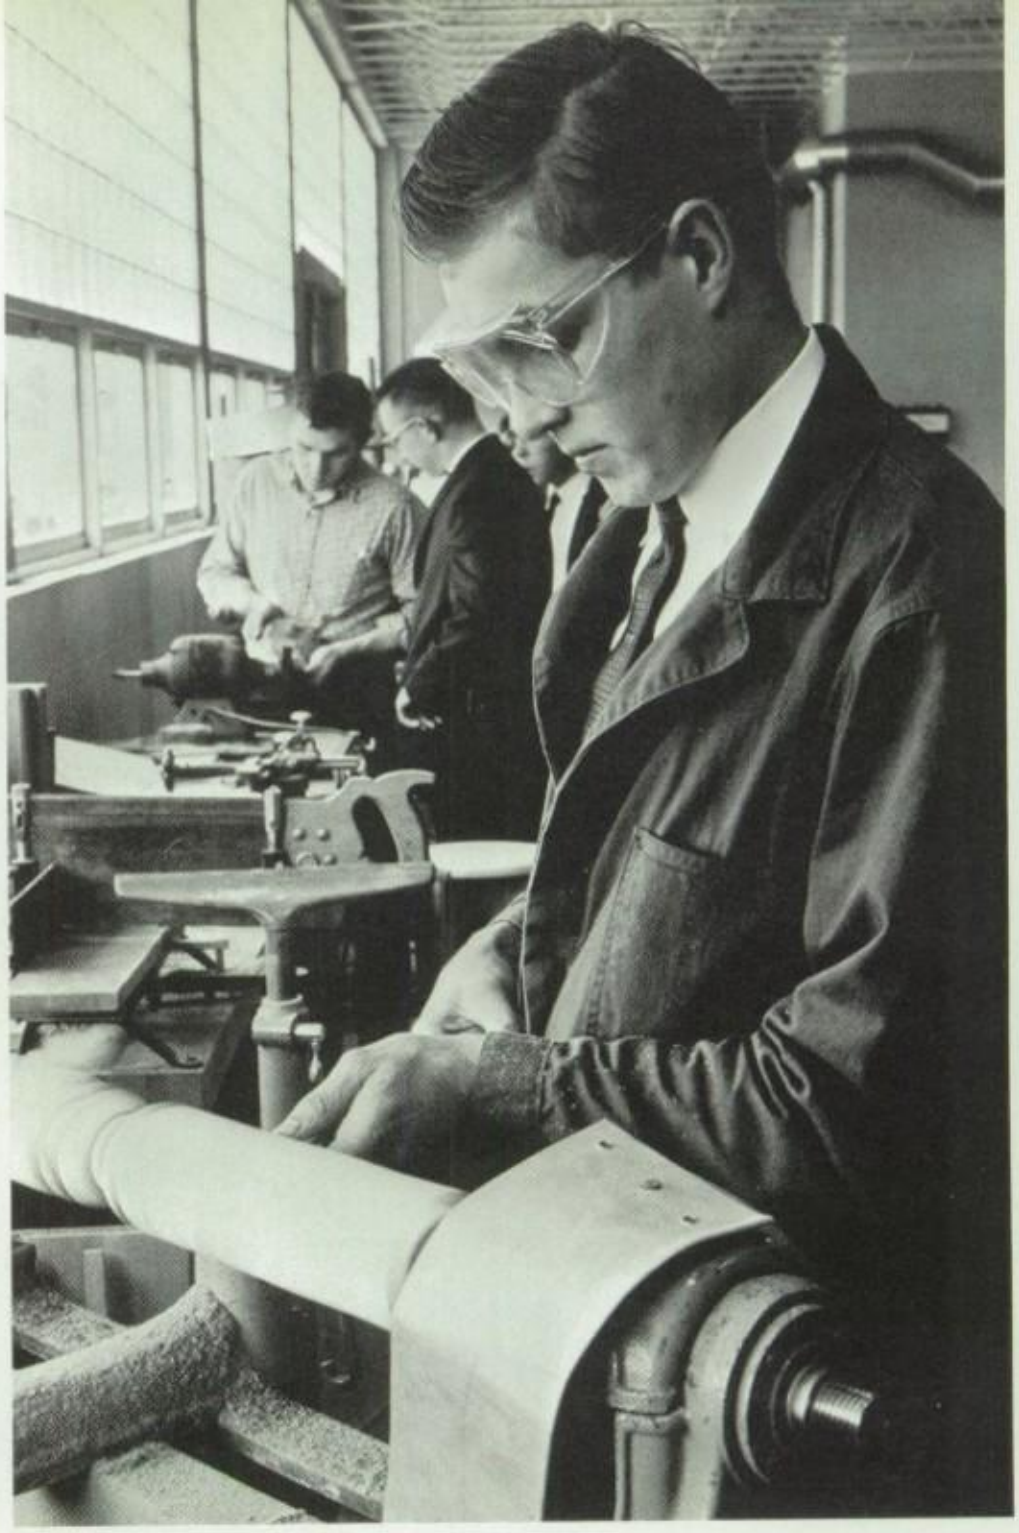
Who are engrossed in
The hopes,
The ambitions,
The disappointments,
And even the
Loneliness of Their
Own private
Worlds.

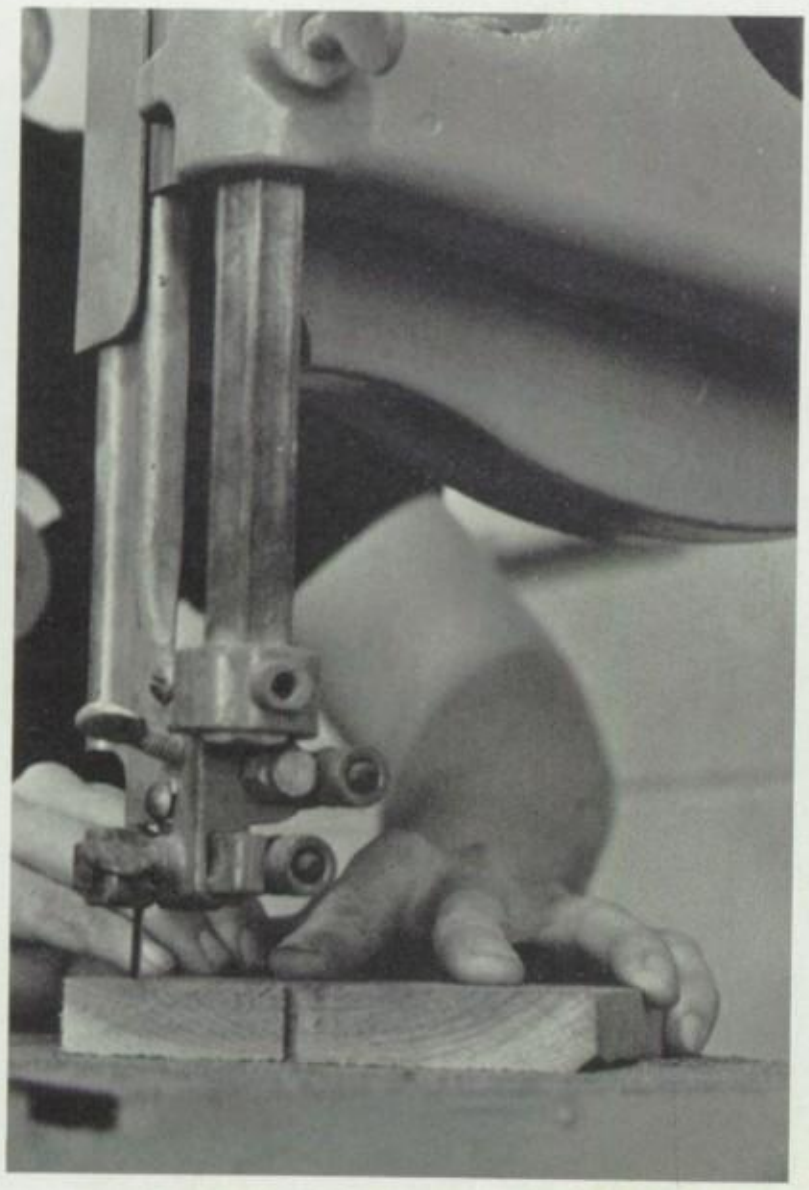
And then too, it
Is the calm, serene
Moments when we
Lose ourselves in
A good book,
Or in the nostalgia
Of music.

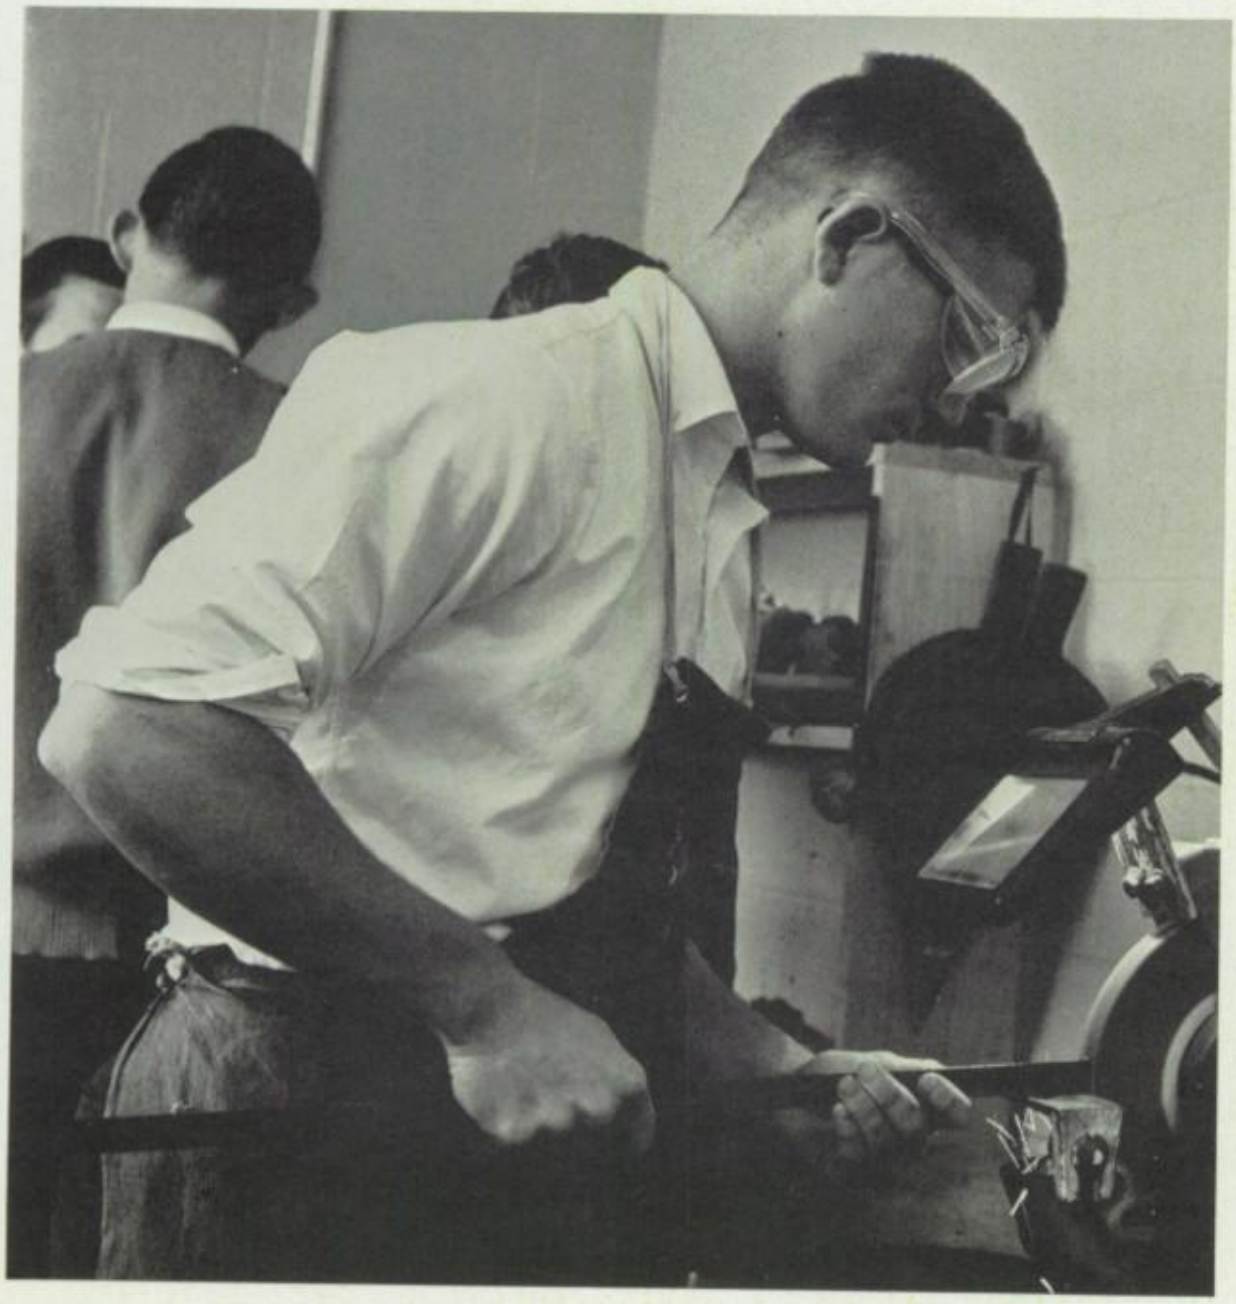


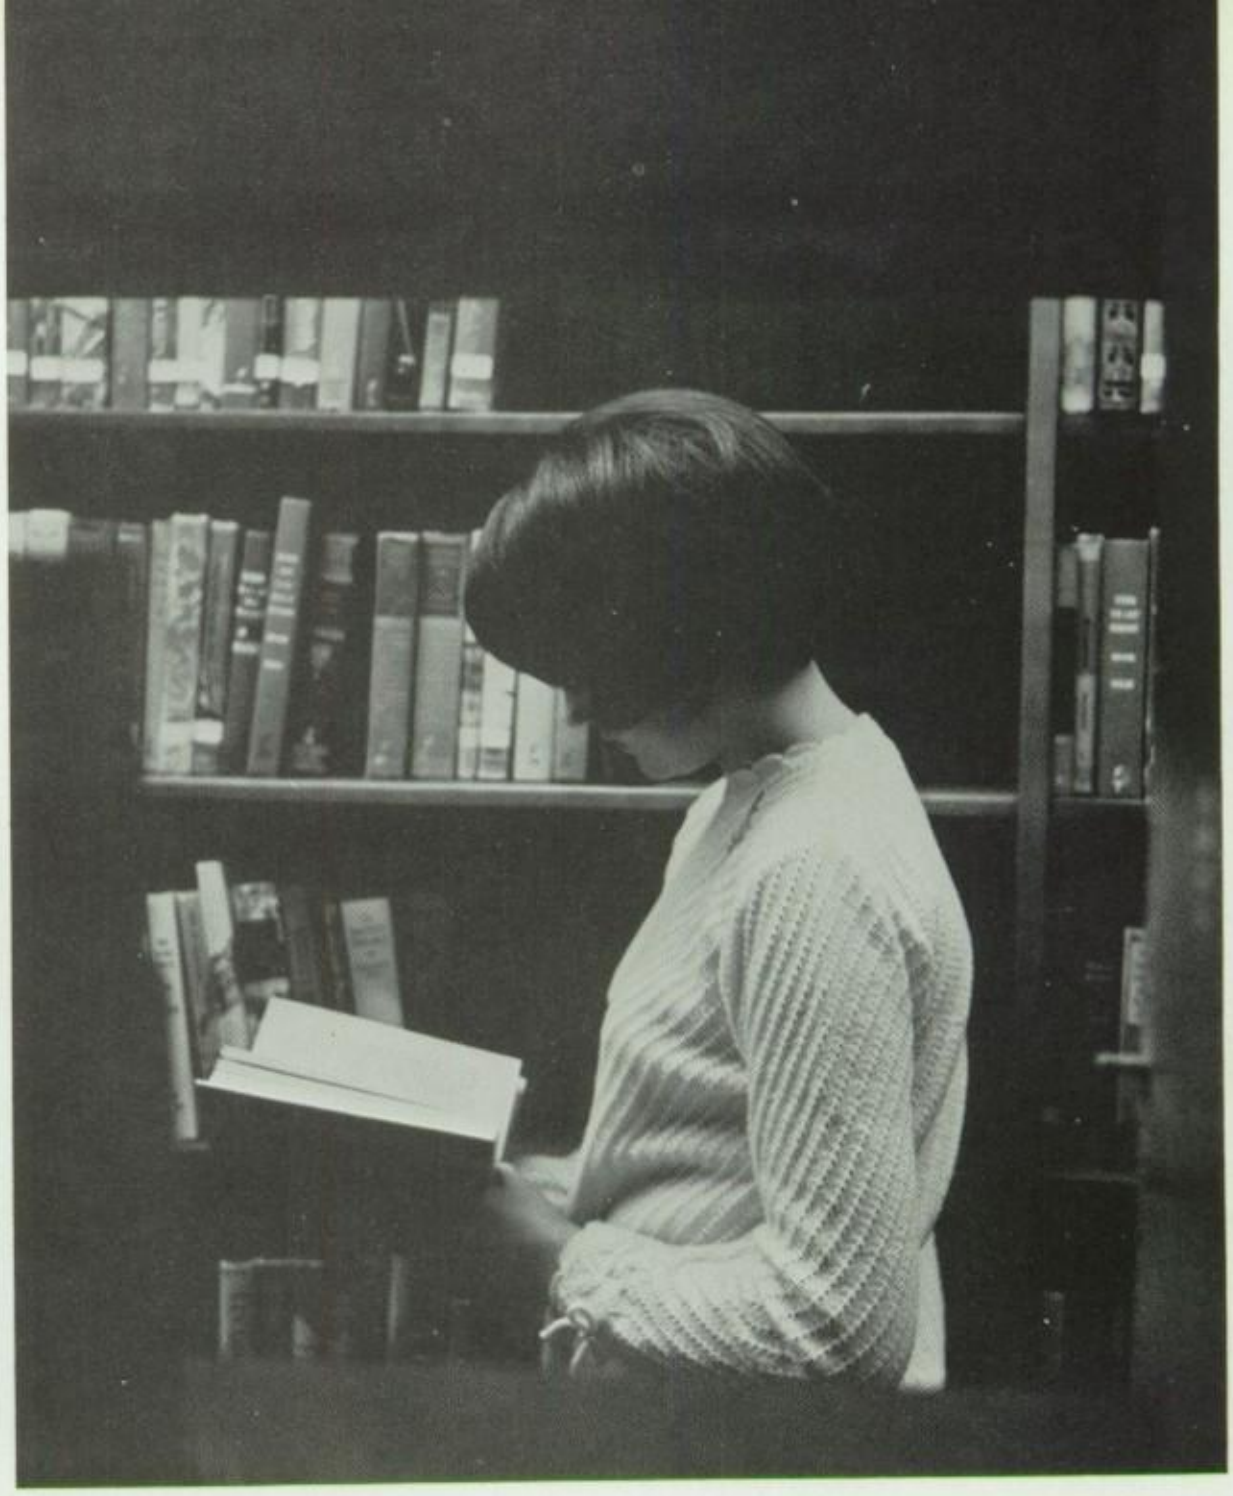


So often it is more
Than a bridge we
Pass over;
It is the basic
Structure we build
Our lives upon . . .









. . . Or it is a magic
Carpet which carries us
Into the realms of
Discovery, co-operation,
Solitude, contemplation
And sometimes even
Happiness.

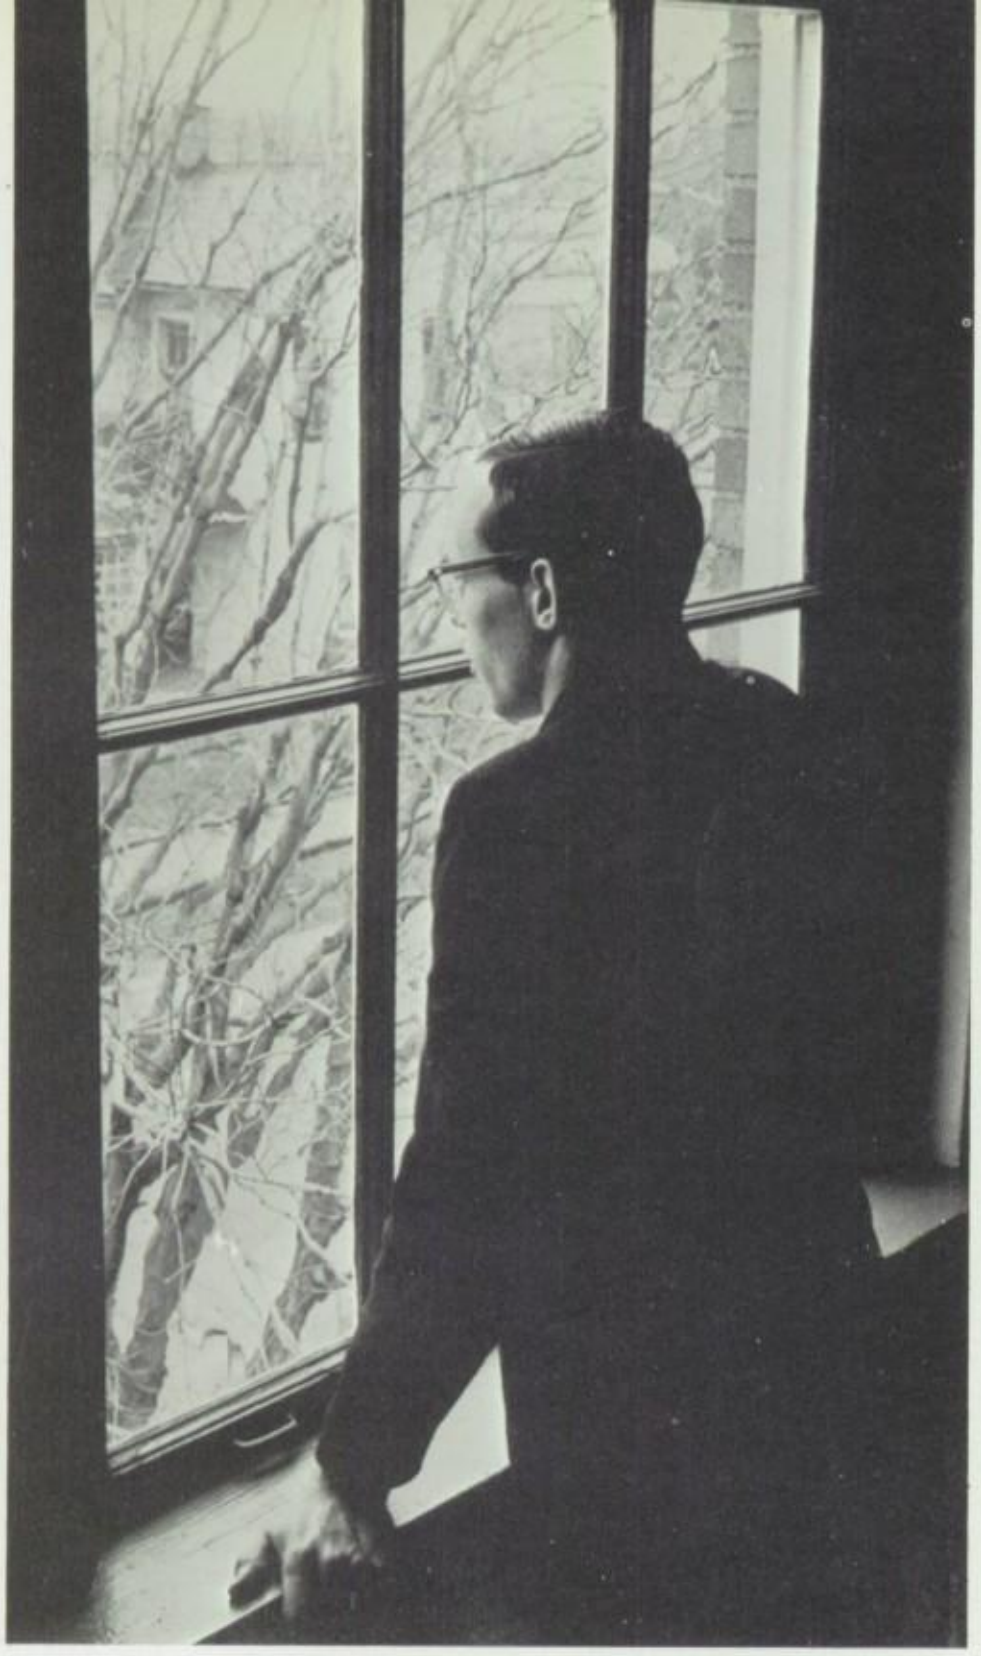
In this brilliant
Shadow world
The winds of dawn

Have gathered to greet
The day . . .
And the bright
Shining morning, with
Its promise of
New beginnings, rises
On the horizon.



We too step out to
Greet tomorrow's
World —
By giving meaning to
The puzzle of life,
By seeing that all
Things must be embraced
Or learned from,
By fulfilling, in
Short, the promise of
Our potential selves.

Football

As the '65 Squad began chalking up victories, hopes arose that we might gain the Inter-county Championship. The first five games showed one loss and four wins. Then came the Homecoming Game with Mineral Ridge, 36-22 in our favor. But there was still McDonald, unbeaten and unscored upon. In a battle that will be long remembered McDonald was "salted away." A week later we trampled Lowellville. The Championship was ours.

Five seniors and seven juniors opened the 1965-1966 basketball season. Rick Plasket was the lone returning letterman. The team worked long, hard hours. An action- packed battle with Western Reserve highlighted the season. The Zips, trailing by fifteen points at the half, overpowered the Blue Devils by scoring thirty-three points in the second half to win 55-53. After the glorious victory over United Local at tournament, the team closed the season with seven victories and eleven defeats.

Since you didn't CHOOSE the period of history in which to be alive . . . aren't you the lucky ones to have happened into this age?

Why, you're practically sitting on the edge of space, with no limits at all to your potential! Whatever the field you choose just now, it's waiting for a "break-thru."

Enter Science — and you'll head for the moon. Choose Medicine — and you and your generation will probably stamp out most of the major dreads of humanity. Take the Arts — and you're on the verge of real excitement: new ways in which even the government is helping to spread the joys of it all!

How lucky you are, new Graduate!

Youth And The World

"There is many a battle that's yet to be won,
There is many a glorious deed to be done.
The world is still young! For the youth at a door,
There are tasks some shall do never dreamed of before.
It is not an old world, worn and wrinkled, and gray,
aPIt's a world that is being reborn every day."
